XMAS TREE FUND BEGINS TO GROW

Total of \$200 Received in Response to First of Letters.

LIVING PICTURE PLANS

Will Be Four in Number, Illustrating Story of the Birth of Christ

each will be set out from the general background by calcium lights only dur-ing the singing of the sungs it is to li-liastrate. The actors will remain in their places doring the entire program, but as the chorus starts one hymn the strong light of the "spot" will be (lirown on the tableau illustrative of that particular rong.

usblesti illustrative of that participates song.

At the meeting of the committee, held in the Board of Trade roots, it was decided that Mrs. Clara D. Neligh, chairman of the committee, shall have charge of the general program of folk dances, while Mrs. John Jay White will take thearge of the presentation of the living pictures. The oustuning of the living pictures across will be in the hands of Miss Ruthé-Aster Noyce and Mrs. Cella Longcape.

STOPPING IN NEW YORK.

Story of the Birth of Christ
at Bethlehem.

When the batch of mall that came to be office of George W. White, chairman if the Community Christman finance committee, was opened isat night it was found that Washington had contributed low to the fund for the general celebration on Christman Eve. This amount, towns on the fund for the general celebration on Christman Eve. This amount, towns on it in answer to only a few of the letters saking for subscriptions, was gratifying to the committee, and the members last night were confident the impount needed would be raised.

Larger contributions are expected to the members last night were confident the impount needed would be raised.

Larger contributions are expected to fall, and the meeting of the committee on folk dances, when it was decided to have living pletures' its supplant the singing of Christman hymns. There will be four pictures, illustrative of the story of the birth of Christ.

The first picture will be enacted during the singing of the hymn. "O. Little flows of Ethishem." and will be on the second clevation of the berrace at the captiol. It will show Mary and Joseph of their way to Bethlehem.

Tablean on Steps.

During the singing of "O Come, All Ye Faithful." the shepherds, wise men, and others will be shown. This tableau will be staged on they day to Bethlehem.

WORK AGAINST TRUSTS DESCRIBED IN REPORT

Attorney General Says Thirty-six Complaints Have Been Investigated in Year.

SHERMAN LAW CONVICTIONS

SHERMAN LAW CONVICTIONS

Much emphasis was laid on anti-trust prosecutions in the annual report of Attorney General James O. McReymolds, submitted yesterday. The Attorney General James O. McReymolds, submitted yesterday. The Attorney General sake especially for better paid assistants and a frepreced building. During the last year, he says, special agents have investigations an average of therty-six anti-trust complaints. In many cross-certifons, he declares they invelled officers of hig corporations to "curful danserous tendencies".

If the convictions under the criminal cinuses of the Sherman law. In the Cash Register Company case, twenty-nine were convicted and fines agressing III.000 and juil sentences, for from nine to twelve menths, were imposed. In the second truil of the lath Tub case fines of more than E0.000 were imposed. In the cotton corner case, one of the principal defendants pleaded guilty and paid 44.00. There are now forty-nine anti-trust cases benefits during forener administrations.

"Bince the last report, forty-time cases have been instituted and sixty-live concluded under the provisions of the act to regulate commerce, and the so-called Eikina act, prohibiting the giving or receiving of rebates and discriminativations.

"During the last year the work of the department in connection with the enforcement of the provisions of the white slave traffic act, to September 30, 1913, there have been \$50 convictions under the act."

addition, and remodeling of the building
of the National Savings and Trust Company, located at the northeast corner of
Piffeenth street and New York avenue
anthwest.
The proposed addition together with the
remodeling of the old structure will cover
a new May a frontage of about 13 feet on
New May a frontage of about 13 feet on
the structure and 13 feet on Nicteenth street and 13 feet on Nicteenth street and 13 feet on Nicteenth streetens and 13 feet on Nicteenth streetens and 13 feet on
structed of a light shade granite. The
walls of the present solution structure
are to be replaced to the harmony with
the new addition. The building is to be
five stories in height. The first floor will
have sufficient space for the office force
of the bank. A vast floor space will also
be allowed for the increased business of
the company which is at present in
crowded quarters. The four upper stories
will be used for offices.

The building operations will begin about
January II. The property is owned by
the company.

HOPE TO HAVE HOUSES READY BY NEXT MAY

Middaugh & Shannon Building Row Northwest.

Northwest.

Middaugh & Shannon, real estate brokers, have in the course of erection a row of dwelling houses, numbering from 600 to 605. New Hampehire avenue northwest. The dwellings are expected to be completed and ready for occupancy by next May.

The hornes will go on the market at a uniform prine of M.56, with the exception of the corner house, which will sell for 14.66. The new structures will be two stories in height, with basements, and with hot water heating plants throughout. The exterior is to be constructed of colonial brick, in warm, shades of colors, with ornamental canopied whith porches and moderate stone trimings. There will be six rooms and a bath in each dwelling. The first floor through to the covered porches subdivided into a conventional entrance half, stanked by a living room.

The dining room adjoins the rear, and communicates with the kitchen. These rooms will be fluidsed in oak throughout. The second story will consist of three bedrooms and a bath. The asplicectural and building work is supplied by Middaugh & Shannon.
